

**DESCRIPTION**

VIVATIA™ Moisturizing Foam is formulated with clinically proven active ingredients that repair wrinkles, protect the skin, and restore healthy hydration levels.

**CLINICALLY PROVEN INGREDIENTS:**

**WRINKLE REPAIR:** VIVATIA contains Matrixyl® 3000, an active ingredient clinically proven to lift & firm the skin and significantly reduce the appearance of wrinkles. Matrixyl® 3000 is a combination of small endogenous peptides derived from matrix proteolysis (Matrikines) that act as cell messengers to stimulate the process of skin repair. By regulating cell activity, elevating collagen synthesis, promoting elastin production and delaying cell deterioration, Matrixyl® 3000 repairs wrinkled skin, increases skin elasticity and balances skin tone. Clinical studies have demonstrated that twice daily application of Matrixyl® 3000 significantly improves skin wrinkles, elasticity and tone after 8 weeks.

**SKIN PROTECTION:** VIVATIA contains effective antioxidants proven to neutralize the harmful effects of free radicals.

**SKIN HYDRATION:** VIVATIA contains natural plant extracts and powerful humectants that limit the amount of water loss and draw moisture from the atmosphere, maintaining healthy levels of skin hydration.

**DELEVO™ FOAM DELIVERY TECHNOLOGY:**

Delevo Foam is a pharmaceutical grade delivery vehicle designed to enhance the clinical efficacy and patient acceptability of active ingredients. Delevo Foam has a skin neutral pH and no alcohol to reduce irritation; hydrating properties to replenish the skin; and no odor or skin residue to enhance patient acceptance. VIVATIA is the first anti-aging moisturizer to implement this advanced delivery system.

**DOSAGE AND ADMINISTRATION:**

**Shake Vigorously, Tap Bottom of Can, and Prime Before Initial Use. Shake Vigorously and Tap Before Each Use.**

**To Prime:** After shaking, gently tap bottom of can onto palm of other hand or a solid surface at least 3 times. Hold the can upright, direct away from patient, and firmly depress the actuator for 1 to 3 seconds or until foam begins to dispense. (If foam does not dispense within 3 seconds: re-shake can, gently tap bottom of can onto a solid surface at least 3 times, and depress the actuator again until foam begins to dispense.)

**Before Each Use:** Shake vigorously and gently tap bottom of can onto palm of other hand or a solid surface at least 3 times.

**During Use:** Holding can upright, dispense VIVATIA onto fingertips and apply to skin until thoroughly absorbed. Use twice daily or as directed. Wipe off any excess foam from actuator after use.

**INGREDIENTS:**

Water, Hydrofluorocarbon 134a, Glycerin, Ammonium Lactate, Propylene Glycol, Cetearyl Alcohol, Emulsifying Wax, Dimethicone, Steareth-10, Tocopheryl Acetate, Sodium Hydroxide, Butylene Glycol, Methylparaben, Aloe Barbadensis Leaf (Aloe Vera), Propylparaben, Disodium EDTA, Carbomer, Polysorbate 20, Palmitoyl Oligopeptide and Palmitoyl Tetrapeptide-7 (Matrixyl® 3000).

Matrixyl® 3000 is used under the authorization of Sederma Inc.

**WARNINGS:**

**FOR EXTERNAL USE ONLY.** Avoid spraying in eyes. **Keep out of the reach of children.** Contents under pressure. Do not puncture or incinerate. Do not store at temperature above 120°F (49°C). Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Discontinue use if signs of irritation or rash appear.

Net Wt. 1.7 oz (50 g)

Manufactured For:

Onset Therapeutics
